A CLASS

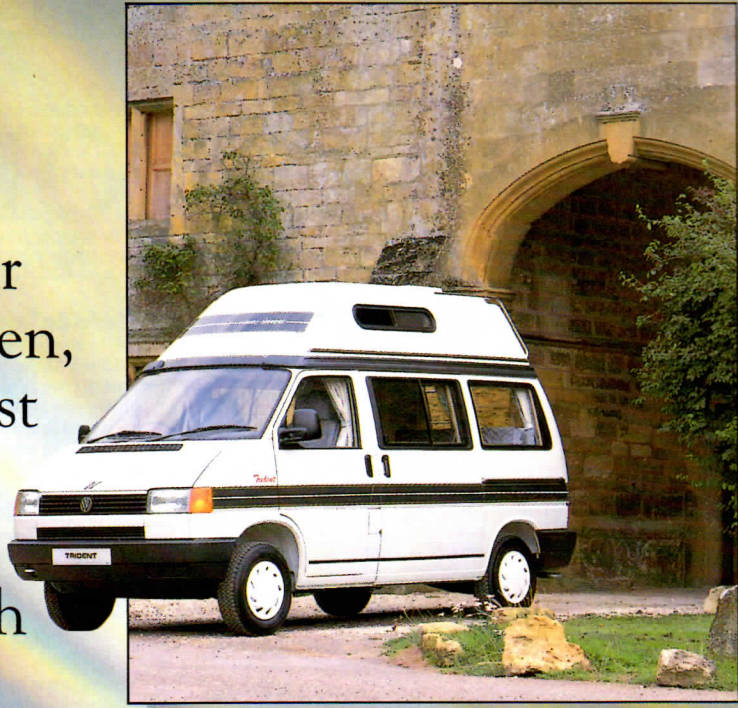

Quality is a tradition at Auto-Sleepers. For over 32 years, we've been consistently achieving superior standards of which we feel particularly proud.

The Auto-Sleeper range is built to the highest

specification by our traditional craftsmen, using the very finest materials and encompassing elegant styling with superlative luxury and excellence. An excellence that is reflected by the outstanding number of awards we have won and unequalled by any other manufacturer...

S APART

...so send for the comprehensive Auto-Sleeper information pack and choose the model that best suits your way of life.
